PRE-CONGRESS PRACTICAL COURSE:

FROM SAFE CHOLECYSTECTOMY TO ADVANCED HPB SURGERY HOW DOES INNOVATION SHAPE ITS DEVELOPMENT?

Wednesday, February 3, 2027

WEDNESDAY 3 - MORNING

9:30-9:35h: ***COURSE OPENING:***
Course Directors: Dr. S Morales-Conde
Dr. FJ Padillo Ruiz

BLOCK I.- THE NEW ERA OF LAPAROSCOPIC CHOLECYSTECTOMY

Chairs: Dr. F Pareja Ciuró
Dr. J López Ruiz

9:35-9:50: ***Basic principles of laparoscopic cholecystectomy: the 'Critical View of Safety'***
Dr. M Toledano Trincado

9:50-10:05 ***The value of ICG: microdosing in laparoscopic cholecystectomy***
Dr. H Asbun

10:05-10:20 ***AI for anatomical structure identification and safety in laparoscopic cholecystectomy***
Dr. A Balla

10:20-10:35 ***Does robotic cholecystectomy make sense?***
Dr. R Ciria Bru

10:35-10:50 ***Discussion***

KEYNOTE LECTURE

10:50-11:10 ***Management of bile duct injuries: recognition, initial management, and the role of the HPB team***
Dr. H Asbun

Introduction and comments: Dr. FJ Padillo Ruiz
Dr. R Ciria Bru

BLOCK II.- CHOLEDOCHOLITHIASIS

Chairs: Dr. J M.ª Álamo Martínez
Dr. J Bellido Luque

11:10-11:30 ***Choledocholithiasis: strategy for intraoperative findings and preoperative diagnosis***
Dr. A Martínez Isla

11:30-12:00: *Coffee break*

BLOCK III.- THE COMPLEX CHOLECYSTECTOMY

Chairs: Dr. P Parra Membrives
Dr. M Toledano Trincado

12:00-12:10 ***EAES clinical guidelines for the management of acute cholecystitis: cholecystostomy vs immediate surgery vs delayed surgery***
Dr. S Morales-Conde

12:10-12:20 ***'Tips and Tricks' for the technical management of acute cholecystitis***
Dr. L Navarro Morales

12:20-12:35 ***Gallbladder cancer: strategy for incidental findings and preoperative suspicion***
Dr. J Bellido Luque

12:35-12:40 ***Discussion***

BLOCK IV.- NEW TECHNOLOGIES IN ADVANCED HPB SURGERY

Chairs: Dr. MA Gómez Bravo
Dr. A Nogales Muñoz

12:40-13:05 ***Advances in complex liver surgery: the impact of robotics, ICG, AI, and emerging technologies***
Dr. R Ciria Bru

13:05-13:30 ***Minimally invasive pancreaticoduodenectomy: how can it be implemented safely?***
Dr. H Asbun

13:30-13:40 ***Discussion***
